GAME-DAY ESSENTIALS

Every park · **every visit**

BEFORE YOU LEAVE HOME

- Field status for evening training is posted every day by **3:00 PM**.
- Saturday games: the call is posted in TeamSnap before the first game.
- Closures and changes are shared through TeamSnap, email and social media.
- In rain or bad weather, check before you set off for training or a game.

FIELD STATUS

Today's training-field status for every park. Scan before you leave.

AT EVERY PARK

- Respect field space and never use closed or restricted areas.
- Pick up all trash after practices and games.
- Park only in designated areas — never block entrances, fire lanes or residents' driveways.
- Respect park rules.
- Alcohol, tobacco and vaping are prohibited at all facilities.

LIGHTNING AND SEVERE WEATHER

- If lightning is detected within 10 miles or thunder is heard, play stops and **everyone leaves the field** for their car or a permanent building.
- Play resumes no sooner than **30 minutes** after the last lightning or thunder — the clock restarts every time — and only once the city clears the fields.
- If storms continue, the day's games and practices are cancelled. Your coach tells the team when it is safe to return.

ON THE SIDELINE

- Families sit on the side opposite the players and coaches, at least 6 feet back from the sideline.
- No one sits or stands on the end lines or behind the goals.
- For a serious injury, 911 is called immediately. Keep emergency contacts current in TeamSnap.
- Don't leave players unattended before or after practice; coaches stay until every player is picked up.
